

DebConf21
Lisboa, Portugal

TÉCNICO LISBOA

Why Lisbon?

- Europe
- Tasty food
- Opportunities for social events
- Kick start local Free Software community
- Beautiful and sunny weather

Portugal Geography

- By the sea
- Iberian Peninsula
- Western Europe
- On Debian since before Buzz ;-)

Venue: Técnico Lisboa

One of the top Portuguese Engineering Schools with over 100 years of history

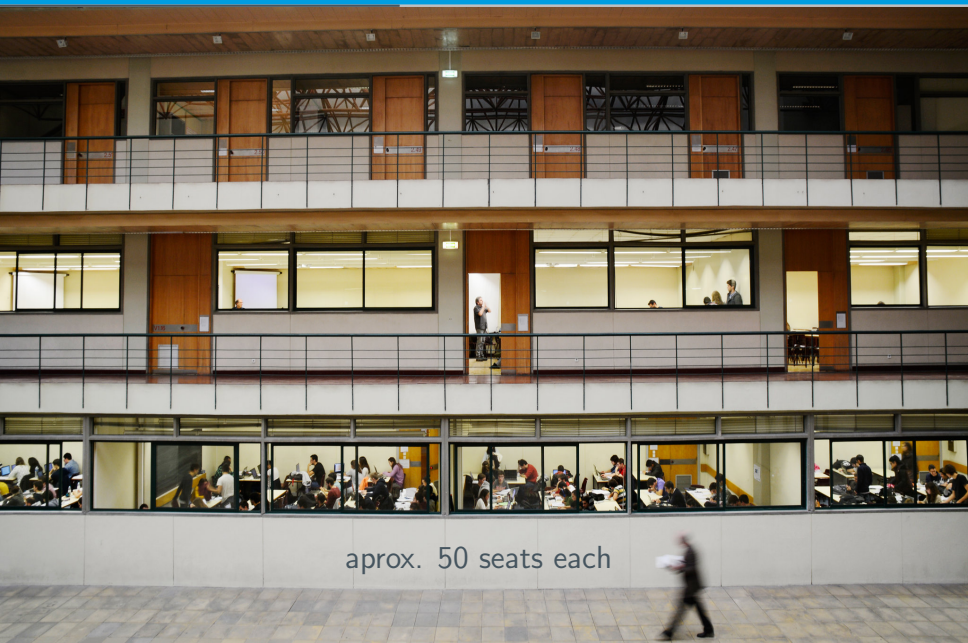

Venue: Grand Hall with 300 seats

Venue: 2 Accessible Auditoriums with 100 seats

Venue: Classrooms for Hacklabs and Organization

aprox. 50 seats each

IT Facilities

- Very good 4G coverage, inc. Lisbon Subway
- Wide Wifi coverage on campus
- Dual Uplink to the Internet at the Venue

Food

- Several vegan and vegetarian options
- Traditional Portuguese food
- Good (inexpensive!) espresso coffee
- Several student restaurants inside the venue
- Multi-cultural restaurants near the venue

Weather

Pleasantly warm, dry and clear blue skies

Accommodation

- Several hotels, hostels and guest houses nearby
- For the 2020 bid we found accommodation for 350 sponsored people

- Most airlines have direct flights to Lisbon
- Several low cost companies also fly to Lisbon
- Direct Subway (9/10 stops) from the Airport to venue

Cheese and Wine Import

- Wine and beer allowed (and very much welcome)
- No food from outside the EU

Fun and Free Time

- Nearby beaches
- Night markets
- Bars and discos
- Music festivals near Lisbon in July and August
- Safe and friendly environment
